

# 'MEDIEVAL' MAPPING WORKSHOP

Saturday 6th October - 11am - 12:30pm

The Holy Trinity Chapel, St Marys Swansea

A fun and active workshop exploring our sense of space. Michelle will lead the group around the church making maps together as we go.

Learn how to draw a labyrinth. Discover how people in Medieval times

measured time and space - find out just how long a league and a furlong are, see how far a medieval minute went and where your own length in string will lead you...

*FREE for all ages - invite your friends and family. Please book tickets in advance with the church as numbers are limited to 20. Tel: 01792 655 489*
